FINANCE/ADMINISTRATION MEMORANDUM

2012-10

TO: Honorable Mayor and Members of the City Commission

THROUGH: Michael W. Walker, City Manager

FROM: Carson K. Swinford, Director of Finance

SUBJECT: Monthly Department Report - April 2012

Financial Reporting

Please find attached revenue and expenditure reports for all City funds for the month of April, as well as major revenue collection reports. These reports explain budget to actual comparisons for the ten months of the 2011-2012 fiscal year.

In addition, copies of management reports for the City's Water/Sewer Fund are attached. These reports reflect positive fiscal year operating results with a cumulative net income of \$4,033,887 versus \$2,213,742 for the same period last year.

Work Plan Update:

1) Revisions to the City's Debt Management Policy

The City of Brentwood adopted a debt management policy fifteen years ago to provide guidance to the City Commission and staff in the financial planning for the issuance of bonds. The conservative policies have served us well and have contributed to the City receiving the highest possible credit ratings from Moody's Investors Services and Standard and Poor's. They include policies to avoid the issuance of variable-rate debt due to the potential volatility of such instruments and maintaining a minimum fund balance in the Debt Service Fund at an amount equivalent to one (1) year's debt obligation. In reaction to problems experienced by a few Tennessee cities in 2008 engaged in complex debt transactions that they did not fully understand, such as swaps and derivatives, the State Funding Board adopted in December 2010 a model-debt management policy for use by Tennessee cities as a guide in formulating a formal policy for their communities. The debt policy should include and address the following principles: 1) understanding the transaction, 2) explaining to citizens what is being considered,

3) avoiding conflicts of interests, and 4) disclosing costs and risks. Staff will review the guidelines and recommend amendments to our current debt policy that may be needed to meet this State mandate that is effective January 1, 2012. The goal will be to maintain a policy that is concise and understandable by the general public.

Status: Provided for review and comment the week of October 24. Submitted for consideration and approval at the November 14, 2011 City Commission meeting. Approved at November 14, 2011 CC meeting.

2) Enhancements to Vendor Payment Processing

The City of Brentwood currently processes approximately 6,500 checks annually. The estimated cost of processing a paper check, factoring in supplies, printing and postage costs, ranges from \$1.00-\$3.00 per check. In an effort to reduce these costs, staff will research options for electronic vendor payment processing, including ACH and Virtual Purchasing Card Payments with rebates back to the City. This initiative will build upon our current system of processing employee pay checks via direct deposit rather than by paper payroll check which is also a more secure and reliable way of making payment. The research will review how other jurisdictions are transitioning to electronic payment systems and determining how the new payment program must be structured to comply with State law.

Revised Target Date: moved to FY 2013

3) <u>Documentation of Finance Department Activities</u>

The Finance Department is responsible for a wide range of financial and administrative support activities carried out by a fairly small staff. Since there is limited redundancy of responsibilities and duties among the personnel, it is more challenging for staff to assume the duties of others when there are extended absences or turnover. The staff will undertake the detailed documentation of each program and activity carried out on a daily basis by the Finance Department personnel including departmental responsibilities, processes, time schedules, contacts, resources, etc. This documentation will address, but is not be limited to, accounts payables, accounts receivables, miscellaneous cash receipting, property tax collections, business licensing, utility billing, and receptionist duties.

Status: This work plan item has been substantially completed.

4) <u>Electronic Account Viewing/Billing Services for Water/Sewer Customers</u>

The Water Services Department is in the initial stages of a multi-year upgrade of the water meter reading technology with remote electronic reading features and more sophisticated data collection capabilities on customer usage, etc. This system upgrade will also provide enhanced features via the system software that will allow customers to access their accounts to view real—time usage information. The Finance Department staff will work closely with the Water Services staff to lay the framework for future integration of this system with our billing system software to allow for enhanced online viewing of accounts and electronic billing services for our water and sewer customers.

Target Date: June 30, 2012

<u>Other Items of Interest</u>. Other matters in which staff members have been involved in the month of April 2012 include:

- Continued preparation of the City's FY 2013 Budget
- Completion of two very successful competitive bond issues. The first was a \$6.65 million General Obligation Public Improvement bond issue with the proceeds to be used to fund continued work for the sewer rehabilitation program and enhancements to the water system. The City received electronic bids from 10 national firms, with the winning public bid for the 20 year, fixed rate bonds submitted by Stifel, Nicolaus, & Co from St Louis with an unprecedented true interest cost (TIC) of only 2.117%. This compares to the 2.92% rate the City received last August for the G.O. bonds used to purchase Smith Park.

A total of 8 electronic bids were received for the second bond issue, which provided for the refinancing of \$3.25 million of existing debt (for interest rate savings), with the lowest and best bid also submitted by Stifel, Nicolaus, & Co with a TIC of 1.717%. Note the original 20 year coupon for the bonds issued in 2006 was 3.93%. This refinancing will save the taxpayers of Brentwood \$206,014 in gross aggregate interest costs over the remaining 13 years of the bonds with a net present value savings of \$179,627.

Please advise if you have any questions concerning the matters discussed herein or if you desire information on other items.

FINANCE/ADMINISTRATION MEMORANDUM

2012 - 11

TO: Michael Walker, City Manager

Kirk Bednar, Assistant City Manager Chris Milton, Water Services Director

Todd Spangler, Assistant Water Services Director

Karen Harper, City Treasurer

Richard Rigsby, Water Services Department David Lincicome, Water Services Department Tracy Todd, Water Services Department

FROM: Carson K. Swinford, Director of Finance

SUBJECT: Water and Sewer Fund Management Reports – April 2012

Attached please find reports showing detail analyses of Water Services Department revenues and expenditures for the month of April 2012. Net operating income of \$64,008 was posted for the month of April 2012 as compared to a prior year net loss of \$(9,366).

For the first ten months of the 2011-2012 fiscal year, the percentage of "unaccounted for" water stands at 16.92%, as compared to 15.24 % for the prior year. During this same period, the percentage of sewerage treated to billed stands at 178.80%, with a prior year comparison of 170.86%.

Please contact me with any questions or comments.
