◆ Personal Identification Number (PIN) Request To Access The eTrakIt Online System - Application Form ◆

This is a free service, but you must have a pending or issued permit with the City of Brentwood - Planning and Codes Department in order to obtain an eTrakIt PIN number. This application is required in order to receive a Personal Identification Number (PIN) to sign on and use the eTrakIt online inspection request and project monitoring system.

As part of this application you will provide a four-digit PIN, which will be used to access the system. **(Please do not submit a number beginning with a "0" or "1")** Your PIN is your personal identification number and will not be distributed.

- Priority will be given to all inspection requests received on-line through the eTrakIt system.
- All licenses, insurance coverage, and payment of fees shall be current in order to process this application.
- All information requested on this application is REQUIRED in order to fully process the account request. Information not provided will result in delay in establishing your account.

NOTE: Once you have received your PIN, you can request and check the status of inspection by utilizing this link to Login: <http://codes.brentwood-tn.org/Index.aspx>
